Commissioner for Patents

A PTO-892 with a listing of US 6173649 reference is attached. The same reference has been previously provided to applicant in a copending application 11/134724. As such, it is believed that applicant has full access to US '649 already. Nevertheless, for the completeness of the present application, US '649 is provided separately again in the present application as well.
